We are excited to resume in-person worship at MBC starting August 9th! There is something special about being together as a church family, worshipping in unison, knowing that God is present with us.

As much as we all long to be together as a church, we know that not everyone will be ready to return at the same time. We all face different situations in terms of our health, the wellbeing of loved ones, the environments we work in, and our personal comfort level. As a church, we respect the need for everyone to discern when it is right for them to return to in-person worship. We will continue to offer worship online at malvernchristian.ca for those who choose to join us from home. Know that as you do so, God is present with you and you are still part of our church family.

Those of us who are ready to return to in-person worship will need to do so responsibly. The guidelines below explain how MBC will meet and in some cases go beyond government guidelines/requirements for public worship. They will also explain what you can expect when you return to church, and how you can do your part to keep your church family safe.

If, at any point, you have questions or concerns, or I encourage you to contact me, one of the other pastors, or one of our deacons. We are all here to serve God and to serve you.

In Christ,

Rev. Ryan Lawrence

SUNDAY MORNING CONT'D

ATTENDING TO YOUR CHILDREN

If you need to attend to your child, the following areas are set aside for you:

- Nursery
- Choir room
- All of the classrooms downstairs

To ensure social distancing, the number of families allowed in a room at a time will be limited. Each room's capacity is posted by the door.

AFTER THE SERVICE

We ask that you **leave the building promptly** after the service to:

- Ensure that our English and Chinese congregations are not in the building at the same time.
- Give us time to clean the building before our Chinese congregation arrives.
- Help us all maintain social distancing.

If you would like to socialize after the service we **encourage you to do so outside on the church lawn**, where there is more space for social distancing and better ventilation. There will be large, open tents for shade.

WHAT SHOULD I DO IF I'M DIAGNOSED WITH COVID-19?

Please contact the church office immediately by:

Phone: (416) 754-3471 ext. 101 or
Email: admin@malvernchristian.ca

This will allow us to alert everyone else who attended worship that day. **We will not disclose your identity** when alerting other attendees.

Thank you for doing your part to keep our community safe! We are looking forward to worshipping with you!
