### Prayer of Invocation

Heavenly Father, as we come to you today, we know that we come broken and bankrupt. But we also know then you always send us away healed and enriched. And so, while we must confess that we are still not what we should be, we can also testify to your good and power in our lives. We thank you for what you have already done in us, and we thank you for all that you will do in days to come. In Jesus' name, we pray, Amen.
